SPACE FOR BEAUTY BLADES BARBIER

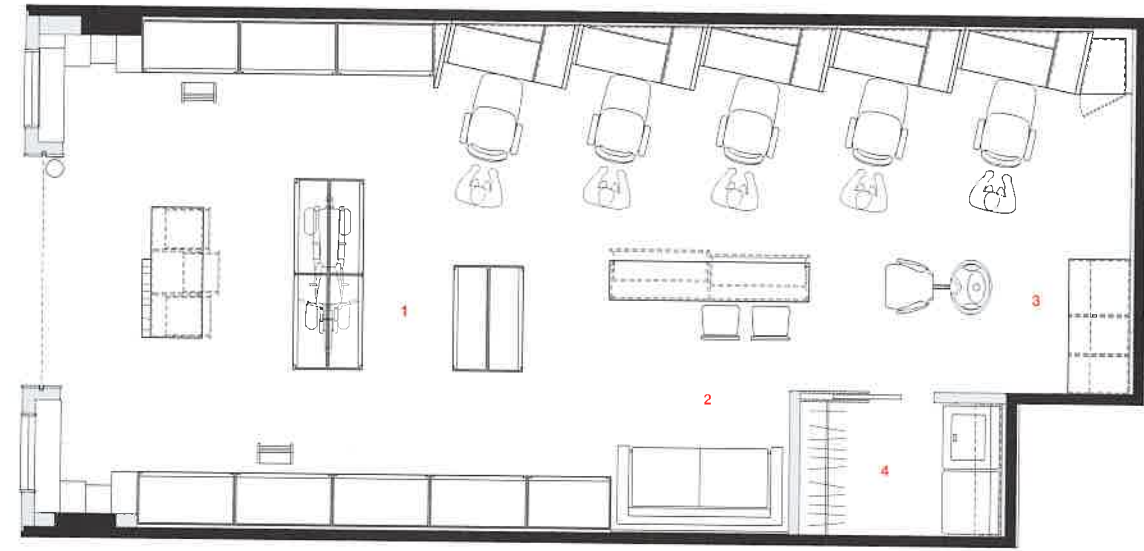

Design_PARKA Architecture & Design **Builder**_Drolet Construction **Client**_Rafael Jimenez, Pablo Jimenez / Blades Barbier **Location**_Galeries de la Capitale, Québec City, Canada **Built area**_805m²
Completion_2016 **Photographer**_Jessy Bernier **Editorial designer**_Choi Sejung **Editor**_Kim Sowon

<Blades Barbier> is a new barbershop concept developed by the Jimenez family, owner of several renowned hair salons in Québec City. They wished to offer services adapted to their male clientele in an environment that would allow them to rediscover old school barbershops as well as to adapt to new and upcoming trends. The concept of mixing old school and new school styles is translated by the experience offered in the salon. The authentic chairs and traditional barber pole are enhanced by a rich, unique and modern setting. The music, iPads, big screen, coffee zone and relaxing area all contribute to offer much more than a simple shave.

<블레이즈 이발소>는 퀘벡 시티에서 여러 미용실을 운영하는 히메네스 가족이 만든 신개념 이발소다. 그들은 북고풍 이발소에서 앞으로 유행할 디자인도 함께 즐길 수 있는 공간을 만들고, 그곳에서 남성 고객들에게 이발 서비스를 제공하고 싶어했다. 매장에서 직접 이발을 하면 친구 디자인이 이루는 조화를 구경할 수 있다. 과거 이발소에 있던 것과 똑같은 의자와 간판 기둥은 이곳만의 고급스럽고 현대적인 구성 속에서 더욱 돋보인다. 이발 외에도 다양한 활동을 할 수 있도록 음악과 아이패드, 커다란 화면, 그리고 카페와 휴게실이 추가됐다. 글 제공 : 파카 아키텍처 & 디자인
